## **Ravyn Alexa Joins Studio Vanniall Launch Line Up With Cockwife Next Door: The Egg Cracker**

(Los Angeles, CA / September 10, 2026) - Hot off her Urban X Awards win for 'Best Fetish Performer', Ravyn Alexa will be joining the Studio Vanniall launch lineup in an exclusive new production arriving this month with the launch of [StudioVanniall.com](https://www.studiovanniall.com).

Filmed in Los Angeles, Cockwife Next Door: The Egg Cracker follows nosy neighbor Susan (Ravyn) as she sabotages Vanniall's Margot - a super-competitive housewife focused on bringing home the bake sale prize. There also happens to be a rumor that Margot slings the best dick in town, and one horny neighbor is determined to put that rumor, and cock, to the test!

The Egg Cracker is the first episode to be unveiled in Vanniall's Cockwife Next Door series and also marks Ravyn's first official collaboration with Studio Vanniall. The scene brings her signature flair for comedic timing to a simmering heat destined to boil over her character's demure public presentation.

"Ravyn's got this incredible overflowing sexuality that she can bring out like no other - it's like a magic trick watching her wrap it in layers and let it unfold during a plot. She's got a seemingly shy character, but the audience still has to know she's up to something," said Vanniall. "She kept me on my toes, ad-libbing some incredibly funny lines."

The scene was shot over two days in May, with a production crew including DP Ashley Lake, Pixie Smalls and Jaq Quicksilver. Cockwife Next Door joins Studio Vanniall's growing slate of original series, alongside Boi Hunter and The MostlyPics House, as the company continues building toward its membership site and expanding its digital and physical release catalogue.

"Like our other recently announced releases, this scene is slated for a DVD already in production," said Vanniall. "I think the trans housewife theme is worth a full disc. You'll also get to see more Cockwife Next Door online on our site very soon! The next one has not one, but two trans housewives!"

The next release in the Cockwife Next Door series will arrive from Studio Vanniall in October. Other DVDs already announced and on their way from Studio Vanniall include The MostlyPics House Season 1, Cruising for Girlcock and Dickgirl After Dark.
