## **Studio Vanniall Previews *Hiking for Girlcock: XXX Slayer*, Opens September Casting**

(Los Angeles, CA / August 28, 2026) - **Studio Vanniall** is heading into a busy September production run with casting dates set for Massachusetts, London and Amsterdam, while previewing the [StudioVanniall.com](http://StudioVanniall.com) launch scene *Hiking for Girlcock: XXX Slayer* starring XXX Slayer alongside director Vanniall.

"It was a pleasure to finally work with the sexy Vanniall, she made shooting together a walk in the park" said XXX Slayer, of his director and co-star. Added Vanniall, "I've been wanting to cast Slayer in something special and the hotness of this scene has ensured Hiking For Girlcock will become a regular thing. Fans will be demanding more, so we already have Slayer in mind for some fantastic Studio Vanniall productions in the coming year."

Studio Vanniall will be booking professional talent for productions in Massachusetts September 1-4, London September 7-9 and Amsterdam September 10-14. Paid shoots are available at industry-standard rates for performers of all genders and presentations, with talent encouraged to reach out directly for booking consideration and agent-coordinated submissions also welcome.

The upcoming *Hiking for Girlcock: XXX Slayer* joins Studio Vanniall's growing slate of original productions as the company continues building toward its membership-site and DVD line launch and expanding its production footprint across the U.S. and Europe.

*Hiking for Girlcock: XXX Slayer* was produced this spring at Studio Vanniall's production retreat in Massachusetts - an ideal location for nature themed adult productions picked out especially for this purpose. Studio Vanniall host a production house with robust equipment and crew, building a hub for East Coast production in the United States sorely needed for local performers.

"September is going to be a very production-heavy month for us, and I'm excited to keep building Studio Vanniall in different cities with new collaborators," said Vanniall. "We have a lot coming together at once, from new scenes to international shoots, and I want performers who are excited about what we're building to get in touch. It's especially our beautiful home front we love to show off, so we're excited to release this scene and show what Western Massachusetts has to offer."
